

Hobart salad dryers. Gently saving you money.

Hobart Salad Dryers:

- Spinning action removes excess water, dirt and organisms that can cause spoilage
- Extends shelf life of greens by up to three days
- Reduces salad dressing cost by as much as 15%
- Increases volume of portions
- Reduces cost of ownership with extra-durable spin basket, casters and drive design
- Easy to use and easy to clean
- Capacity of up to a case of lettuce (16 heads) or 18 pounds of bagged lettuce

Greens before a Hobart salad dryer spin: Wet & Soggy

Greens after a Hobart salad dryer spin: Fresh & Fluffy

A demonstration. At 405 rpm, the perfect touch.

- Gentle spinning speed removes excess water without damaging or bruising the salad greens (fresh or bagged)
- Takes just minutes
- Exclusive top-mounted controls for easy use

So if you want to stop diluting your profits, take your greens for a spin, with the Hobart salad dryers.

Hobart salad dryers are available in two models:

The Hobart SDPE Salad Dryer with polyethylene outer tub and lid

The Hobart SDPS Salad Dryer with stainless steel outer tub and lid
