

FLAV-R-FRESH® IMPULSE DISPLAY CABINETS

Models FDW-1, FDW-1X, FDW-2, FDW-2X

Hatco has a profitable way to create impulse food sales with the small Flav-R-Fresh Holding and Display Cabinet. Controlled moisturized heat lets you display and hold hot foods longer using minimum counter space.

FLEXIBILITY

The Hatco Flav-R-Fresh has separate heat and humidity controls to keep crisp foods crisp and moist foods moist, not just for minutes but for hours. It holds everything from hot pretzels to 15" (381 mm) pizzas, croissants to bagels, and even hot dogs and meat pies.

Electrical components, controls, and water reservoir are located at the top for easy access. A temperature monitor indicates the cabinet temperature. A red light indicates a low water level and a green light shows the humidity cycle.

Models with two doors are available for pass-through convenience and a variety of merchandising racks help enhance food appeal.

The Hatco Flav-R-Fresh is ideal for restaurants, pizzerias, convenience stores, concession stands, snack bars, and kiosks.

QUALITY

The following features assure the finest performance for years to come:

- The stainless steel display cabinet features tempered glass sides and door for full-view display.
- Shatter-resistant incandescent light enhances food appeal while safe-guarding food products from bulb breakage.
- A large single door provides fast access to food racks.
- Food decals and merchandising signs are available to help promote product.

Model FDW-1 with rotating 4-tier rack and accessory decals and pans

Model FDW-1X with stationary 4-shelf multi-purpose rack

Custom Food Decals & Merchandising Signs

Designed to attract attention and stimulate sales, Flav-R-Fresh offers eye-catching food decals (specify Pizza, Chicken, Pretzel, or Biscuits/Croissants). Or choose optional PIZZA or PRETZEL display signs in bright red with yellow letters.

METAL SHEATHED AIR HEATING ELEMENTS
GUARANTEED AGAINST BURNOUT AND BREAKAGE
FOR TWO YEARS.
