

## GLO-RAY® DESIGNER PORTABLE HEATED SHELVES

Models GR2S-24, -30, -36, -42, -48, -54, -60, -66, -72

Hatco Glo-Ray® *Designer* Portable Heated Shelves use a blanket heating element to extend the holding time of food while keeping it at optimum serving temperatures. Perfect for when a heated workspace is needed, or for extra base heat in a pass-through or buffet area. The modern design is perfect for front-of-the-house use. *Designer* powdercoating blends these units with the décor while providing a durable, easy-to-clean surface.

### FLEXIBILITY

Ideal for holding hot food at kitchen work areas, waitress pick-up stations, or customer serving points.

The *Designer* series warmers come standard with black inset panels. Choose from six other color options to blend the warmer with any décor, or chose a unit in one of seven solid colors.

### QUALITY

The following features assure the finest performance for years to come:

- Thermostatically-controlled hardcoated heated base extends the holding times of most food.
- Available in *Designer* colors: Warm Red, Black, Gray Granite, White Granite, Navy Blue, Hunter Green, and Antique Copper.
- Available in heated surface widths from 23.75" to 71.75" (603-1822 mm) and overall widths of 30.25" to 78.25" (768-1988 mm).
- Portable – a 6' (1829 mm) cord and plug set allow heat to be placed where it is needed the most.

Model GR2S-30 with *Designer* color inset panels and accessory food pans

GR2S-36 with *Designer* color inset panels and accessory food pans

BLANKET ELEMENTS GUARANTEED AGAINST BURNOUT AND BREAKAGE FOR ONE YEAR.
