Hatco Glo-Ray® Narrow Halogen Foodwarmers are great for use in tight spaces and keeps the focus on food items being displayed. Even the most delicate dishes hold that "just-prepared" look.

FLEXIBILITY

The continuous housings, up to 72" (1829 mm) in width, are available in Stainless Steel, seven powdercoated *Designer* colors, six gloss finishes, and six plated finishes to match any décor. The halogen heat lamp bulb is controlled by a dimmer switch and each model comes with non-adjustable 1.5" (38 mm) angle brackets. Units can be fitted with optional non-adjustable tubular stands which can be powdercoated with *Designer* colors or remain unpainted.

Each unit is ready for installation and includes a remote control enclosure.
