Narrow LED Display Lights

Models: NLL-30, -36, -42, -48, -54, -60

Narrow LED Display Lights are Hatco's newest narrow-style that is ideal for installation in tight spaces, but emit little or no heat. Providing a bright display area, the LED lighting is ideal above refrigerated product areas where an attractive glow is needed to enhance your food products. This lighting will deliver significant savings because of lower energy consumption, longer bulb lifetime and greater reliability.
