

TC - Enclosed Carts

SPECIFICATION:

TC Model Enclosed Carts are 18-gauge all welded transmitted body with 18-gauge double walled insulated doors. Heavy duty channel chassis is designed to absorb impact through casters and bumper frame. Doors are insulated and mounted on stainless steel hinges for 270 degrees swing back. Positive latch is mounted at each door.

Rugged continuous bumper set in stainless steel frame encircles cart.

Removable tray slides hold 12" x 19" or 15" x 20" trays (trays not furnished) from 36 to 52 total. Other size and quantity of trays can be accommodated also.

Carts are provided with push handles and finished brush satin and all edges are covered.

PRODUCT GUIDE:

Fully enclosed carts are designed for heavy-duty institutional use in tray delivery systems.

Doors swing back 270 degrees and held in open position by positive latch for service and cart washing.

Ease of cleaning is further improved with removable tray slides, pitched bottom and removable doors.
