

Model 149

The Prince Castle Pancake Batter Dispenser allows you to prepare pancakes to your specifications. Choose either a 3, 4, 5 or 6-inch diameter by simply adjusting a screw or rotating the slide block. Every pancake you make will be uniform in size and appealing to your customers. The model 149 helps you save money by maximizing your production and minimizing waste.

A built-in stand and easy-press lever work together to allow you to dispense batter right on the griddle...no more pouring, no more mess. A contoured Bakelite handle resists hot temperatures and guarantees a sturdy grip for making large quantities of pancakes quickly and comfortably.

STANDARD FEATURES

- n Portion control for dispensing consistent product amounts.
