## Model ER Series Healthcare Hot/Cold Dual Tray Meal Delivery Cart

ER-40 Shown

**Note: This cart cannot be washed with hose!**

### ER Series Healthcare Hot/Cold Meal Delivery Cabinets

These state of the art, dual tray heated and refrigerated carts are the perfect solution to your patient meal service needs.

Built to last for years of service. They are fully insulated and designed for ease of operation.

Our reinforced fully welded base and integral Dual layer, fully welded corner post design insures the elimination of any cabinet torque during transport.

Our rear mounted forced air heating and cooling system is designed for superior hot and cold temping times, our unique thermo barrier system provides fantastic heat and cooling retention. Our "no hassle" controls make using this cart as easy as a push of a button.

The bottom line is, your job is tough! Our standards are even tougher!
