

Crimsco Inc. Correctional Meal Delivery Specialists

IMC-COR-48

IMC-COR Series Insulated tray delivery carts

These rugged, built to last delivery carts are fully welded and are designed for secure, fast meal delivery service.

These carts are not just some restaurant style cart with security features attached. Our carts are manufactured from the ground up specifically for the correctional field.

Our reinforced fully welded base and integral Dual layer fully welded corner post design insures the elimination of any cabinet torque during transport.

The bottom line is, your environment is tough! Our standards are even tougher!

Crimsco is corrections
